Duxbury Police are looking for an armed man suspected in a Wednesday morning robbery at Osborne's on Route 53.

Around 10:30 a.m., police got a call about an attempted robbery at the gas pumps at Osborne's. Chief Matthew Clancy said.

Tom Chantre, Jr. said he was walking up to a white SUV that had pulled up to the pumps when a man rolled down the window and brandished a gun. The man, who was wearing a ski mask, demanded cash.

"I told him to get the hell out of here," Chantre said, adding that he immediately started running in the opposite direction.

Chantre didn't get a good look at the man, or what type of handgun he was carrying, but said he seemed young.

"I didn't chase him off, but I guess he was glad to leave," Chantre said.

Clancy said the depart-

ment's assessment of the situation was "very preliminary" and that they were unclear in which direction the SUV and the single driver had fled.

"He realized he wasn't going to get anything and drove off," Clancy said.

Chantre, who has been working at Osborne's for 10 years, said nothing like this has ever happened to him before.
